

FuneralCalls.com Cookies Policy

Logging in to FuneralCalls.com using this or any other browser interface constitutes user agreement to place the "cookies" on your computer that the site uses to maintain secure, password-protected access to data. These cookies are essential, as they enable you to move around a website and use its features, such as accessing secure areas. Without these cookies, services you've asked for (such as access to secure areas) can't be provided. These cookies don't gather information about you that can be used for marketing or remembering where you've been on the internet.
